INTERFURNITURE 2026

INTERFURNITURE 2026 is an annual event brings sector leaders together in the furniture and home textile industries, showcasing the latest designs, materials, and technologies. These industries are always pushing the boundaries of design, and this year's exhibition is no exception. From sleek and modern to classic and timeless, you'll find a wide range of designs on display, each one more innovative than the last.

INTERFURNITURE, covering all kinds of products and services dedicated to furniture and home textile industries, is a unique fair that should not be missed.

INTERFURNITURE 2026 Organized by B Group

An unmissable unique fair organized by B Group with experience in the field of fair organization and the services it offers in every step!

WHY SHOULD YOU EXHIBIT?

- **Opportunity to showcase products:** INTERFURNITURE 2026 allows manufacturers to showcase their latest designs and products to potential customers and industry partners. This can increase brand awareness and attract new customers.
- **Networking opportunities:** Exhibitors can provide opportunities for networking with industry partners, potential customers, and other exhibitors. This can lead to new business relationships and collaborations.
- **Market research:** Exhibiting at INTERFURNITURE 2026 can also provide valuable market research by allowing manufacturers to observe consumer preferences, market trends, and competition.
- **Increase sales:** Exhibiting at INTERFURNITURE 2026 can lead to increased sales and revenue by allowing manufacturers to connect with potential customers and showcase their products in a visually compelling way.
- **Industry promotion:** Exhibitors can also promote the furniture industry by showcasing new designs, innovative materials, and technological advancements in the industry.

MARKET INSIGHTS

- The home furniture market in the US is poised to grow by \$8.08 billion during 2020-2024, progressing at a CAGR of 2% during the forecast period. The market is driven by the improving residential construction market and increased online sales.
